Raul Hernandez Garcia

Software Engineer

Guadalajara, Jalisco, Mexico

Summary

Software engineer with hands-on experience in Java, Spring, Python, Linux, SQL, REST APIs, AWS, and AI integration. Currently working at Amdocs, developing and maintaining telecom software solutions. Combines a rigorous engineering mindset with bilingual communication skills (English C1 · Spanish C1) and a proven track record across technical and client-facing roles.

Experience

Amdocs

Software Engineer

August 2025 - Present (1 year 2 months)

Guadalajara, JAL

Developing and maintaining telecom software solutions by implementing new features, optimizing existing systems, and ensuring code quality through testing and code reviews, while collaborating with cross-functional teams to meet business and technical requirements.
